

Dear NECC donors,

Thank you for your kind donations and continuous support. We greatly appreciate you! Are you aware that your employer may offer to match your donations, doubling your contribution, without costing you an extra dollar? Many companies in the Boston area are apart of the matching gifts program and we want to encourage you to take time to check out if your employer will do this. Attached below is a URL to just some of the many companies near Boston that offer this. Thank you for your time and support. Each child at NECC benefits from your donations!

~~And helps make more~~

Best, Jared Bouzan
